

Find the Route to the Field of the Singing Flowers!

The illustration shows a vibrant landscape with a large rainbow arching over a green field. In the foreground, a purple cow with a white face and a yellow chick are visible. The field is filled with yellow and purple flowers. In the background, there are green trees and a small wooden hut. The scene is framed by a path of circular tiles. The tiles contain various elements: a frog, a ladybug, a mole, and the letters 'P' and 'Y'. Some tiles are solid colors, while others have dashed borders. A large pink circle labeled 'START' is at the bottom left, and a large pink circle labeled 'FINISH' is in the middle of the field.
